50 years of building Healthy India with Great Taste

Om Oil & Flour Mills Ltd, is the leading manufacturer and exporter of quality Spices, Vermicelli, Pasta, Noodles, Tea & other food products in India. Founded 50 years ago, today RUCHI is a household name across Indian cities and villages. We have created a landmark as a leading quality food processing unit of the country and have a presence in every kitchen of rural and urban India. We also have a strong global presence which is the result of the undying hard work of the management and the employees since 1976.

Service Quality with Every Delivery

We believe that quality is the responsibility of one and all and shouldn't be compromised under any circumstance. At RUCHI, it begins from procurement, goes right through processing to packaging of the finished products.
