- **Extensive Distribution:** Supported by over 200 authorized dealers in Odisha and more than 40 super stockists nationwide.

2. Our Heritage & 50-Year Journey

The story of Om Oil & Flour Mills Ltd. (CIN: U15495OR1997PLC004861) began on the industrial landscape of Cuttack, Odisha, in June 1976. Founded by the late Dr. Sarat Kumar Sahoo alongside his father, the late Banamali Sahoo, the venture started as a humble flour and oil mill. Driven by relentless perseverance, Dr. Sahoo introduced packaged pure ground spices under the trademark name 'RUCHI'.

In March 1997, the enterprise incorporated as a private limited company, converting to a Limited Company in 1999. Recognizing global dietary shifts, Dr. Sahoo traveled across Italy, South Korea, the UK, USA, Germany, Australia, and Singapore to study state-of-the-art food processing technology. In 1998, RUCHI established Eastern India's first Italian Pasta manufacturing plant in Cuttack, importing automated machinery from Italy and South Korea. Over five decades, RUCHI has evolved into a premier multi-category food giant.

Expanding its operational footprint, commercial production at the state-of-the-art Ramdaspur Unit—dedicated to Spices, Vermicelli, Pasta & Spaghetti—commenced in June 2025.

Decadal Growth Timeline (1976 – 2026)

Decade / Year	Milestone & Strategic Evolution
1976	Founded as Om Oil & Flour Mills in Cuttack; launched packaged spices under 'RUCHI'.
1986 – 1996	Recognized three consecutive times with the Best Successful Enterprise & Industrial Peace Award by OASME.

1997 – 1998	Incorporated as Om Oil & Flour Mills Ltd.; awarded Spices House Certificate by Spices Board of India (1998). Established Eastern India's 1st Italian Pasta plant. Established RUCHI Prativa Foundation.
2000 – 2005	Achieved AGMARK (2001) & ISO 9002 Certifications; won OSFC Best Entrepreneur Award (2002) and State Safety Award (2004).
2008 – 2014	Conferred Times of India Think Odisha Leadership Award (2008), ACRUX Showcase Odisha Global Leadership Award (2012), and Best Corporate Award (2014).
2017 – 2019	Earned India SME Forum Best Entrepreneur Award (2017), WTC MSME Export Achievement Award (2017), and Brands of Odisha – Pride of India (2019).
2021 – 2026	Won FICCI FLO Odisha Women's Award (2021), Spice Icon Award (2022), Times Icons of Odisha (2024), and celebrated 50 Years Milestone ('50 Saal Aapke Sehat Ke Saath').

3. Vision, Mission & Core Pillars

OUR VISION

"To be a globally cherished food brand that seamlessly bridges authentic Indian culinary heritage with world-class food technology—delivering 100% pure, healthy, and delightful food products to every kitchen across the globe."

OUR MISSION

"Driven by unwavering devotion, honesty, and innovation, our mission is to enrich everyday lives by providing pure, hygienic, and convenient food products. We commit to upholding the health of our consumers as our highest motto, empowering local farming communities, and honoring 50 years of trust in every packet we produce."

The Four Foundational Pillars

Pillar	Core Principle & Execution
1. Quality	Delivering 100% pure, farm-sourced ingredients processed under strict ISO 22000 & AGMARK food safety standards with zero maida and no artificial additives.
2. Labour & Devotion	Believing in relentless hard work, perseverance, and genuine dedication rather than shortcuts or reliance on external subsidies.

3. Honesty & Integrity	Upholding transparent business practices across our supply chain and building lifelong consumer trust under '50 Saal Aapke Sehat Ke Saath'.
4. Advanced Technology	Utilizing cutting-edge processing technology (imported from Italy and South Korea) to lock in natural aromas, essential oils, and nutritional value.

4. Leadership Messages & Founder's Vision

Founder's Memorial Tribute — Late Dr. Sarat Kumar Sahoo

"Quality, Hard Work, Honesty and Developed Technology are the basic elements for the success of any industrial house. Success depends entirely on wholehearted effort, perseverance and honesty. Industrialists should not run after assistance or subsidies; the only thing required for success is unwavering devotion and relentless work. Health and hygiene are always kept in our mind—the health of our consumers is our wealth and only motto."

The Founder's Philosophy on Hope vs. Despair

"Life is a constant struggle between two powerful forces: Hope and Despair. If you struggle with despair, negative outcomes will surround you and pull you down so heavily that you cannot rise. But if you struggle with hope, every positive thought will shape your decisions, and success will surely knock at your door."

Managing Director's Message — Mr. Arbind Sahoo

"As we celebrate 50 years of trust ('50 Saal Aapke Sehat Ke Saath'), our commitment to every kitchen remains unchanged. From pioneering modern pasta manufacturing in Eastern India to bringing authentic heritage spices to global markets, we continue to blend cutting-edge food processing technology with uncompromised purity. We thank our millions of consumers, dealers, and partners for walking this journey with us."

5. Meet Our Team & Leadership Structure

Behind RUCHI Foodline's 50-year legacy stands a dedicated team of founding visionaries, executive directors, functional department heads, and thousands of skilled technicians and workers committed to uncompromised food safety and consumer health.

A. Founding Visionaries & In Memoriam

- **Late Dr. Sarat Kumar Sahoo (Founder):** A born fighter and industrial pioneer who established Om Oil & Flour Mills in 1976. Dr. Sahoo introduced packaged pure spices under 'RUCHI' and brought Italian pasta processing technology to Eastern India in 1998. He established the RUCHI Prativa Foundation and shaped the four core pillars of the company.
- **Late Banamali Sahoo (Co-Founder):** Partnered with his son Dr. Sarat Kumar Sahoo during the company's inception in 1976, instilling traditional values, discipline, and moral wisdom into the enterprise.

B. Executive Leadership

- **Mr. Arbind Sahoo (Managing Director, Om Oil & Flour Mills Ltd.):** Steers strategic corporate expansion, financial governance, product line diversification, and regional trade alignments. He leads the digital transformation, quick-commerce growth, and global export strategy for RUCHI Foodline.

C. Senior Functional Leadership & Management

Department / Function	Leadership Role & Core Operational Focus
Production, Operations & Quality Assurance	**Plant Heads, Operation Head & Quality Control Heads:** Oversee automated manufacturing facilities in Ramdaspur and Khapuria ensuring ISO 22000-2018 food safety standards, cryogenic spice grinding, and zero-touch packaging.
Marketing, Sales & Distribution Strategy	**Marketing Head, National Sales Manager, Regional Sales Managers & Zone Heads:** Manage RUCHI Foodline's network of over 200 dealers in Odisha and 40+ super stockists across India across general trade, modern retail, and e-commerce.
Finance & Accounts, Governance	**CFO, DGM (Finance & Accounts) & Corporate Finance Team:** Drive financial strategy, CRISIL SME 2 rating compliance, GST tax filings, trade credit management, and audit integrity.
Procurement, Supply Chain, IT & Logistics	**Manager (Purchase, Logistics, IT & MIS) & Store Managers:** Manage real-time ERP inventory tracking, warehouse logistics, quick-commerce order fulfillment, and IT infrastructure.
Human Resources & Workforce Welfare	**HR Head & Corporate HR Division:** Foster an inclusive workplace culture upholding labor dignity, employee health, continuous skill development, and factory safety protocols.
Corporate Governance & CSR	**Company Secretary:** Manages corporate governance frameworks, ensures statutory compliance with Ministry of Corporate Affairs (MCA) guidelines, oversees board secretarial duties and meeting proceedings, and directs all regulatory filings and legal documentation as well as all CSR activities.

6. Manufacturing Infrastructure & "Pasta Village"

RUCHI Foodline operates state-of-the-art manufacturing facilities at Type-II, No. 8 & B/18, Industrial Estate, Khapuria, Cuttack - 753010, Odisha, as well as Plot No. 8, Industrial Estate, Ramdaspur, Cuttack.

- **RUCHI Pasta Village:** A dedicated processing complex in Cuttack & Ramdaspur Industrial Estate equipped with automated high-capacity extruders imported from Italy and South Korea.
- **Cryogenic & Low-Temp Grinding:** Low-temperature spice grinding technology that locks in volatile essential oils, natural color, and aromatic potency.
- **100% Suji & Zero-Maida Promise:** All gourmet pasta and vermicelli ranges are crafted strictly from 100% Durum Wheat Semolina (Suji), ensuring high protein, dietary fiber, zero cholesterol, and zero trans fats.
- **Zero-Touch Packaging:** Automated packaging lines from farm sourcing to final pouch sealing ensure 100% purity and untouched hygiene.
